proof. | Website

Already have a brand? Let's get your website live in 15 days.

One page built on your brand, written by us, and running on accounts in your name. One fixed price.

Price
$2,299
Half to start, half when you approve the preview.

Timeline
15 days
Kickoff on day 0. Live on day 15.

Our promise
On time.
If we're late, even by an hour, your first six months of Site Care are free.

The clock pauses while we wait on your approvals. Free Care covers our fee; hosting stays on your own account.

What's on the website

One page, up to 8 sections	Designed around your new brand.
The words	We write them. You give us the facts, prices and photos.
Every screen	Looks right on phones, tablets and laptops.
Contact form	Messages go straight to your inbox or CRM.
Easy to find	Set up so Google and AI search tools can find you and describe you correctly.
Simple analytics	How many people visit, where they come from, and who reaches out.
Privacy and terms pages	Written with you and published on the site.
In your name	Domain, hosting and code in your accounts, with notes on how it all works.

How the 15 days go

Day 0
We talk.
Kickoff call, your brand files, and access to your accounts.

Day 5
The plan.
The sections of your page and the direction for the words, for your review.

Day 11
A first look.
A preview link of your new site.

Day 15
Live.
Your website, on your domain.

It's yours

Every file and every line of code. The hosting account is in your name. If you ever leave us, everything goes with you.

After launch

Site Care, $250/month Keeps the site running, fixes what breaks, up to three small changes a month.

Pay for the year and get two months free.
